## Information

### Our Mission

**As a non-profit agency in Bucks County, we empower persons with all types of disabilities to achieve independence in an inclusive community.**

### Our Vision

**The BCCIL envisions a world free of barriers where people with all types of disabilities can live their dreams.**

### Independent Living Philosophy

**The Independent Living philosophy is based on the belief that persons with disabilities have the same basic human rights as persons without disabilities to participate in and contribute to community life. It is about persons with disabilities having the right and seeking the opportunity to exercise self-determination in matters such as living arrangements, transportation, social life, employment, and physical care.**
